

# HOMOPHOBIC/ TRANSPHOBIC CRIME REPORTING FORM

REPORT LGBT HATE  
CRIME WITHOUT THE  
NEED TO INVOLVE  
THE POLICE

Camden Lesbian Gay Bisexual and Transgender Forum is a registered charity, which works to improve services for people living and working in Camden. The Forum also offers advice, advocacy and support to victims of homophobic or transphobic crime.

Homophobic and transphobic crime can take many forms, including physical violence and/or harassment, bullying and threats, sexual abuse/rape and blackmail and hate mail. Figures suggest that as much as 80% of crime still goes unreported.

Although we appreciate that it can be difficult to report, any information that you give us can help trace the perpetrators and identify trends. Unless we have the information it is difficult for us to tackle the problem.

This form is designed to make it easier to report homophobic or transphobic crime. Even if you do not want us to pass on specific details the information is still very valuable as it helps us to get a picture of where crimes are being committed and work towards reducing the problem.

You can choose whether you would like details of the crime to be passed to other agencies for monitoring purposes or to help an investigation. If you would like the crime to be investigated you must supply your personal details.

**Please choose from the following list (choose one option from the list below):**

- Please pass the details of the crime on to the police, including my personal details
- Please pass the details of the crime on to the police, excluding my personal details
- Do not pass details of the crime to the police

We will **not** pass your information to any other organisation without your permission.

**Please return to: Camden LGBT Forum, c/o 11-15 Betterton Street, London WC2H 9BP. Phone 020 7470 8760.**
